

Frequently Asked Questions (FAQs) Bachelors of Business Administration - BBA

Who should apply to Bachelors of Business Administration?

The Bachelors of Business Administration is aimed at recent Higher Secondary School pass outs that have the motivation & desire to build a strong foundation for a career in management & business administration.

What kind of students is the BBA aimed at?

BBA is aimed at students who are just stepping into their career. The programme is suitable for students who want to increase their knowledge of business & management to:

- Enhance their existing career & accelerate their promotion prospects
- Pursue MBA
- Change career by changing function, or industry
- Start their own business

The highly international nature of the programme also makes it suitable for students who want international mobility. Above all, it is a preparation for general management with a global outlook rather than particular country-centric one.

What kind of career does the BBA prepare you for?

DYPUSM offers a plethora of programs in management to cater to the needs of Industry. The programs and minimum eligibility for each are as follows:

BBA SPECIALIZATIONS

- Marketing
- Finance
- International Business
- Banking & Insurance
- Hospital Administration

ELIGIBILITY CRITERIA

Eligibility Criteria for Specialization in Marketing, Finance, International Business & Banking & Insurance:

- Passed Higher Secondary School (10+2) or an equivalent examination with minimum 45% marks.
- Academic performance in 10+2 or equivalent examination & DYP CET Score

Eligibility Criteria for specialization in Hospital Administration:

- Passed Higher Secondary School (10+2) or Diploma with 2 years or 3 Years Duration after 10th with Science & Biology (Min 45%)

What would be the duration and structure of the program?

The 3- year full time program consists of six Semesters, each semester being of six month duration. The first semester mainly comprises of subjects related to general management, which would provide insights into managerial concepts. Here the focus is to give the students a firm grounding on the managerial skills and also in honing their interpersonal skills through a series of practical based sessions.

In the subsequent semesters, the focus shifts to specialization based subjects relevant to the specific stream. The course curriculum has been designed in consultation with our industry partners who are also our knowledge partners. The classroom training is supplemented by guest lectures by specialists, industrial visits, summer & winter training projects & assignments. Other co-curricular activities include an Intercollegiate Festival, i.e. Paramount, National Research Conference, Seminars, Corporate Round Tables and Workshops. The aim is to ensure an overall development of the students by building interaction between students of the institutes & personnel from various industries.

The course is outlined on the CBCS basis, where the student is allowed to choose subjects from a wide variety of the subjects. Students can choose from the Elective subjects from Semester 1 itself.

How will the programme be taught?

Pedagogical tools are matched to the needs of individual programs & emphasize active participation rather than passive assimilation. The case method of study is the major tool. It is supplemented by group exercise, role-play, games, lecture-cum discussion & presentation by students. Simulation Technique is also used. The overall teaching methodology is Industry & employment oriented, with an emphasis on sharing & imparting knowledge through a plethora of Workshops, Conferences, Case studies, Guest lectures & Industrial Visits. More than 45 Guest Lectures are organized by the Department, yearly.

Does the teaching have a practical orientation?

While pursuing research in their own fields of interest, members of faculty often act as consultants and advisers to industry & government, & many hold directorships in a range of organizations or in some cases run their own businesses. These activities help to maintain the practical relevance of the School's teaching & research.

What form does the teaching take?

Most of teaching takes the form of structured lectures & case studies. The style is participatory & classes frequently include case analysis & discussions. We also carry out many projects & group work, field investigations & visits, as well as individual research and simulations.

How accessible are the faculty to the students?

Teaching faculties are there to support students through their BBA journey & are available outside class times to discuss academic issues. Students will also have an opportunity to interact more closely with faculty through their involvement in various activities that run year around.

Does the department have linkages with other academic / research bodies?

Yes, the department has developed Linkages with several National/ International, academic/ research bodies.

1. University of South Carolina has signed a MoU with the DYPUSM to work together in the areas of Faculty & Student Research, Faculty and Student teaching learning process, Faculty Exchange Programs.
2. Wockhardt Foundation Inspiration Clubs has signed a MOU with Department for Socially Involved Projects.
3. University of Cochin - KVM Trust-KVM College of Engg. & Information Technology has signed a MOU with Department on the following areas: Faculty Exchange Program, Faculty Training Program, Student Exchange Program, Research Programs, and Placement Activities.
4. University of Calicut's, Naipunya Institute of Management and Technology Kerala, Harrison College, USA & a consultancy organization MCAI has signed MOU with Department with respect to study abroad programs, Twinning or Matriculation Agreements, Management Development Programs, Consortium Models, Faculty/cultural exchange and joint collaborative efforts.

What about student's Holistic Development?

Education with a holistic perspective is concerned with the development of student's intellectual, emotional, social, physical, artistic, creative & spiritual potentials. Various events are conducted round the year, Inter-collegiate festivals, Conferences, Workshops & Seminars are organized by the students themselves. This opportunity helps them to understand the importance of team spirit, leadership, professionalism & importance of commitment. We also celebrate important Indian festivals in order to remind the students of their roots & culture. While imparting knowledge in students, we also focus strongly on inculcating good values in students. We firmly believe in the holistic development of every student & ensure that every student walks out of DYPUSM not just as a Degree holder, but also as a better human being.
